LEMON^{IS5}
& LIME^{IS5}

ENJOY SEATING PERFORMANCE.

LEMON^{IS5} & LIME^{IS5} REINVENT SPACES

Perfect in a lounge, a trade fair or an office – the LEMON^{IS5} club chair and LIME^{IS5} barstool are inspiringly versatile. Their modular construction provides maximum design freedom to enhance new creative discussion zones.

LEMON^{IS5} and LIME^{IS5} impress both on their own and as part of a perfectly harmonised duo. The characteristic division between seat and backrest upholstery means that any number of combinations are possible in terms of covers and colours.

VERSATILITY
THAT INSPIRES

New inspiration through classic elegance – LEMON^{IS5} unites timeless design and flexible dynamics. The multi-faceted club chair can be used in a wide range of environments and is available with a classy aluminium base or an elegant wooden frame. The LEMON^{IS5} can be optionally fitted with a smooth responsive rocking mechanism. This means that the chair can be used at both sofa height, which is normal for a club chair, and at a conventional table height.

REFRESHINGLY
DIFFERENT

Flexible, attractive and always at the right height: The height-adjustable LIME^{IS5} barstool combines a modern design with smart technical features: The characteristic footrest brings out the fluid shape of the barstool, while the subtly integrated handle in the seat allows for comfortable, easy transportation.
