BerryAlloc Laminate

Wherever. Forever.

Wherever. Forever.

BerryAlloc Laminate

Visually pleasing, durable, quick to install and easy to maintain. That's BerryAlloc laminate. In the following pages you will find over 14 splendid collections ranging from the classical to the contemporary, more than 170 colours and numerous options and accessories.

In short, a range that is more than complete where you can be sure of finding the laminate that best matches your taste, interior and budget. BerryAlloc offers more than just laminate, however.

BerryAlloc also offers you wonderful wall panels, a complete parquet flooring range and the extraordinary click vinyl flooring, each with accompanying accessories. Thanks to its excellent quality, comprehensive and innovative range and extensive service the BerryAlloc Group has grown into an international player and highly rated interior and decoration specialist for both residential and commercial projects.

BerryAlloc is about passion. The passion to provide you with the best of the best. And the passion to consciously strive towards a greener and more sustainable world both in our philosophy and actions.

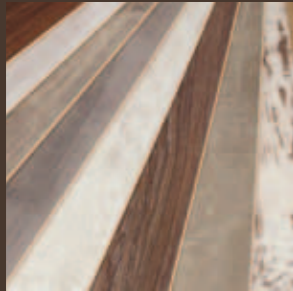

You can find more information about the full BerryAlloc product range at www.berryalloc.com

WHEREVER. FOREVER.

Why choose BerryAlloc ?

Fashionable colours and a variety of sizes

Over 14 collections and no less than 170 decors in different types of wood with surprising combinations and a variety of colours and accessories. You can choose from extra long and wide planks (Elegance or Grandioso), short and wide planks (Residence), or very narrow planks (Regency collection). But you will also find standard formats in our collection.

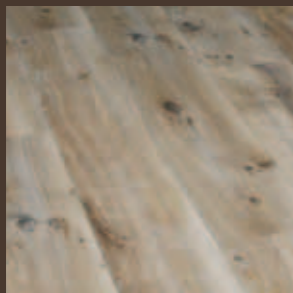

Perfectly finished

Subtle beveling, impressive natural wood or tile structures, wood patterns that endlessly flow from one plank to the next, efficient noise absorption, non-standard sizes, matt varnish: BerryAlloc uses all of the latest technologies. LaserCut is one of these technologies. It is a laser-guided system for cutting planks, so that every plank is perfect.

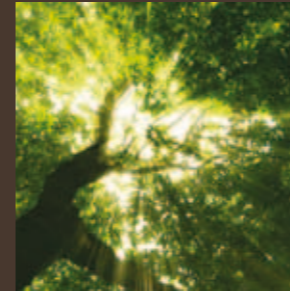

Water and moisture resistant

The Riviera and Titanium collections with HydroPlus® guarantee that your floors cannot be damaged by water or vapour. A special treatment gives it infallible protection.

Top quality

All our laminate floors are at least class 32, but go up to class 33 and even class 34! They are not only suitable for your living room, dining room or kitchen, but also for commercial use, such as in shops, restaurants, schools and places where there is considerable pedestrian traffic. Therefore you can rest assured that they are strong enough for installation in your home. Needless to say, all our products are subject to the most stringent product requirements and thorough quality checks.

BerryAlloc respects the environment

The entire BerryAlloc collection has been awarded a “Programme for the Endorsement of Forest Certification” (PEFC). This guarantees that our products come from sustainably managed forests.

Top locking systems

Best Loc®

Thanks to the revolutionary and patented Best Loc® system you do not need to be an expert to install your own laminate floor! When you install your floor you do not need adhesive, a hammer or tapping block. Yet it stays firmly in place.

Best Loc® X-Treme. For super-fast installation.

Best Loc® X-Treme is available in the Titanium, Grandioso, Elegance, Naturals, Residence, Vintage, Tiles and Loft collections and goes a step beyond the Best Loc® system. Not only does it have a considerably stronger locking mechanism, it is also easier to install thanks to its enclosed lip, which means that installation is up to 30% faster.

Wherever. Forever.

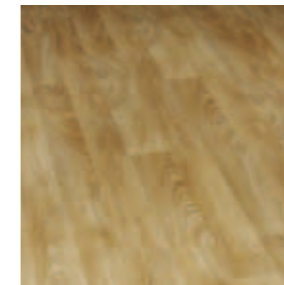

BerryAlloc Titanium

The strongest in its class

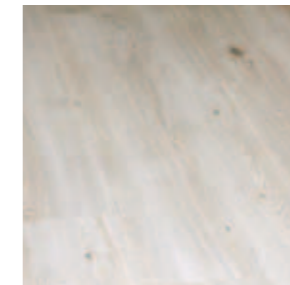

This laminate collection has been specially designed to resist the impact and blows of all manner of footwear that passes through restaurants, shops, schools and other busy places day after day. The more people, the merrier!

Thanks to their class 33 technology, these laminates are very suitable for commercial projects.

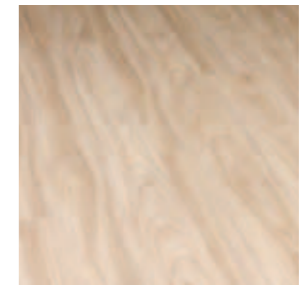

They are scratch resistant and durable. Furthermore they also come with HydroPlus® and the Best Loc® X-Treme system. This means water-resistant and very easy to install.

BerryAlloc Grandioso & Elegance

Extra long and wide planks

Longer, wider and thicker planks not only give additional strength, but they also make your interior appear more spacious and take less time to install!
Extra-long, extra-thick and extra-wide planks are available in:

The Grandioso collection

Here, you can find an extended colour palet ranging from a very light Elm to a very dark Teak.

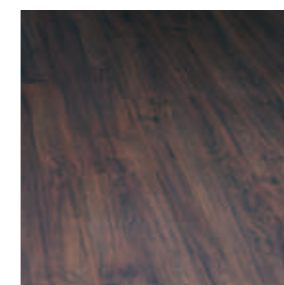

Thanks to the MatLook® technology, each decor has a beautiful, mat finish.

The Elegance collection

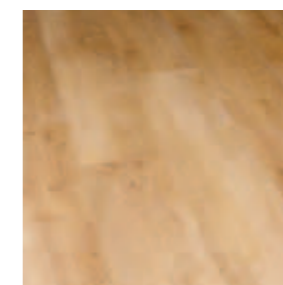

This collection even goes further.

- 12 magnificent colours in walnut, oak or maple
- thanks to the WoodStructure®+ technology each decor has a deep embossing which makes it look like real wood

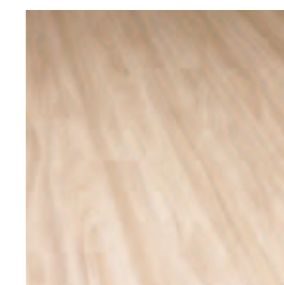

The Grandioso and Elegance collections also incorporate the special Best Loc® X-Treme system which allows glue-free installation, have stronger and faster locking mechanisms and take at least 30% less time to install!

BerryAlloc Riviera & Titanium HydroPlus®

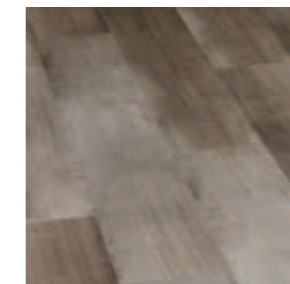

Water-resistant

Are you looking for a floor that can stand up to wet and dirty shoes, a leaking washing machine and children who turn your bathroom into a swimming pool? Then BerryAlloc has just what you need. Thanks to the BerryAlloc HydroPlus® technology and its special water-resistant coating, your laminate floor will stay in tip-top shape even under these conditions.

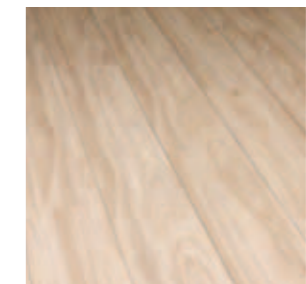

- water-resistant coating
- can be easily cleaned with water
- no risk of seepage or curving
- most suitable for damp places such as bathrooms, washing areas and kitchens, but equally suitable for any other room in your house
- available in Riviera and Titanium

Naturals, Victorian Oak, 3050-3914

BerryAlloc **Naturals**

New, solid and fashionable

Outstanding quality and new, fashionable and fresh designs are what sets BerryAlloc apart from its competitors. This can be clearly seen once again in our extremely successful Naturals collection. With subtle but particularly realistic wood patterns and available in a wide range of natural colours, the Naturals collection effortlessly improves your interior while creating a pleasant and classic atmosphere at the same time.

Endlessly beautiful...

The wood patterns on the boards connect endlessly from plank to plank, creating the impression of the design flowing smoothly and uninterrupted along the entire length of a row - looking like one very, very..., VERY long plank.

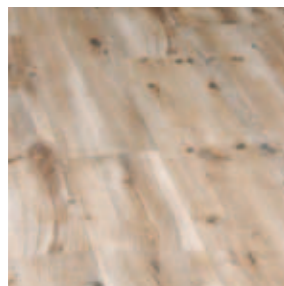

BerryAlloc Residence

Extra wide, extra easy to install and now also available in a MatGloss® finish.

The Residence collection consists of extra wide laminate that is finished in MatGloss®. This means extra wide planks with glossy wood grains and a matt finish. Stunningly beautiful and natural looking.

- extra wide planks: 241 mm wide by 1288 mm long and 8 mm thick
- available in 9 colours, 3 with MatGloss®
- MatGloss® : glistening wood grains on a matt finish
- Micro Woodview® : subtle bevel (V groove) along 2 sides
- class 32

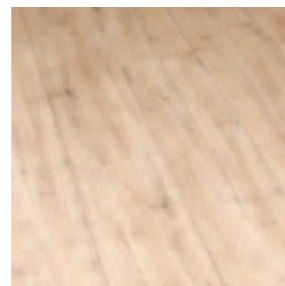

The BerryAlloc Residence collection also incorporates the ultrafast Best Loc® X-Treme system.

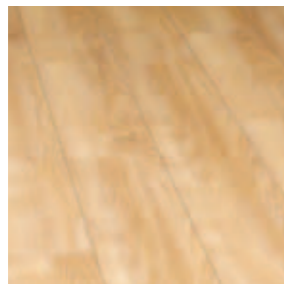

Residence, Frosted Oak

Wherever. Forever.

Vintage, Cupper Wood, 3020-3894

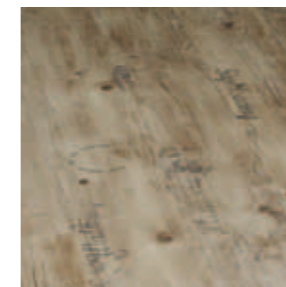

BerryAlloc Vintage

Extravagance with style

More than ever, the Vintage collection is in keeping with the times. Contrasting colours and eye-catching designs constantly appear in fashion and interior furnishings.

When it comes to floorcovering, you will undoubtedly find something to suit your taste in this small Vintage collection with 4 special colours and a little touch of extravagance.

The Vintage collection incorporates the special Best Loc® X-Treme system.

Elegance, Sand Greige Oak, 3090-3874

Since laminate flooring is installed as floating flooring, BerryAlloc has developed this unique locking system:

Best Loc®. For fast installation.

Thanks to the revolutionary and patented Best Loc® system, you don't need to be a DIY expert to install your own laminate flooring! When you install your flooring you do not need adhesive, a hammer or tapping block. Yet it stays firmly in place.

Best Loc® X-Treme. For super-fast installation.

Best Loc® X-Treme, available in the Titanium, Grandioso, Elegance, Naturals, Residence, Vintage, Tiles and Loft collections, goes a step beyond the Best Loc® system.

Not only does it have a considerably stronger locking mechanism, it is also easier to install, meaning that it takes up to 30% less time.

Indestructible

BerryAlloc laminate not only improves your interior, but it is also particularly tough, resistant to staining and light and extremely resistant to blows and impacts.

During the finishing process, each plank is given an additional protective coating that ensures that even glowing embers and messy household chemicals are no match for it.

BerryAlloc Laminate Lifetime guarantee!

We are so convinced about the quality of our laminate that we are pleased to include life time guarantee. But that's not all. You can actually get a life-time guarantee on BerryAlloc floors. Would you like more information? Our website www.berryalloc.com and the insert leaflet in the packaging will tell you all you need to know.

BerryAlloc Accessories

BerryAlloc Skirtings

Neat and tidy finishing

Because the correct, meticulously chosen finish makes all the difference in the world. We are not satisfied with a half-finished job. That is why BerryAlloc has a comprehensive range of skirtings that is ready for you to use.

Skirting

This is the ideal solution for a stylish wall finish.
2400 x 14 x 60 mm (l x w x h)

High skirting

Elegant high skirting with a modern look.
2400 x 12 x 80 mm (l x w x h)

Rounded skirting

Rounded skirtings give a subtle finish and a smooth crossover between floor and wall.
2400 x 14 x 14 mm (l x w x h)

Scotia

The extra-wide BerryAlloc Scotia skirting was designed to bond an existing skirting board to the new floor. It also covers the expansion gap.
2400 x 16 x 16 mm (l x w x h)

Adhesive skirting

Thanks to the strong, self-adhesive tape on the rear side, our flat skirting ensures that expansion gaps remain out of sight. As it is made from real wood, it has greater water resistance than MDF skirtings and allows mitre joints to be cut more easily.
2400 x 25 x 5 mm (l x w x h)

Clips for skirtings

- install your skirtings quickly and effortlessly
- our clips also allow you to easily remove skirtings without damaging the wall. The ideal solution for remodeling projects

White skirting

BerryAlloc now also has a range in white skirtings which you can use to give your floor a particularly classy finish. Pick from our range of white skirtings for a stylish finishing touch. Choose from various designs, modern or classical, ready-for-use in white or paintable in the color that best matches the colour of your walls.

60 mm skirting

2400 x 14 x 60 mm (l x w x h)

80 mm skirting

2400 x 12 x 80 mm (l x w x h)

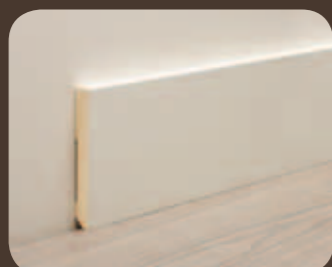

English skirting

2400 x 14 x 110 mm (l x w x h)

French skirting

2400 x 14 x 110 mm (l x w x h)

Modern skirting

2400 x 14 x 100 mm (l x w x h)

BerryAlloc Profiles

Leveling and connection profiles

Profiles made of melamine-faced MDF allow for the perfect crossover between two floors, whether they are the same type or not. Ideal for concealing height differences or for bridging expansion gaps. Important note: these profiles are as durable and long-lasting as our floors (wear and tear class AC4). *(Accessories which do not carry the BerryAlloc hallmark may be in a lower class and so wear out more quickly.)*

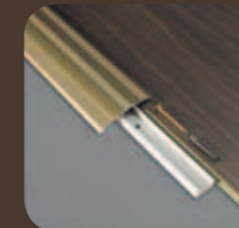

Leveling profile

Do you have a height difference between two floors? This profile ensures a seamless connection to a lower lying floor (tiles, carpet, etc.)

Available in MDF and bronze, silver or champagne coloured aluminium,

MDF 1000 x 40.5 x 12.3 mm (l x w x d)

ALU 1000/2000 x 46 x 11.7 mm (l x w x d)

T profile

This T profile allows you to seamlessly connect two level laminate floors and hide an expansion gap.

Available in MDF and bronze, silver or champagne coloured aluminium,

MDF 1000/2400 x 44 x 11.1 mm (l x w x d)

ALU 1000/2000 x 46 x 11.7 mm (l x w x d)

End profile

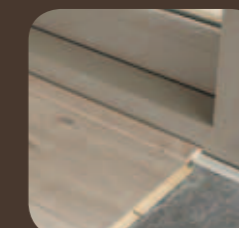

For perfect finishing of the edge of your floor and joints with a sliding window or door sill. Available in MDF and bronze, silver or champagne coloured aluminium,

MDF 2400 x 30.3 x 12.3 mm (l x w x h)

New! ALU 2000 x 15/27.5 x 11.3 mm (l x w x h)

Adjustable in height

(for floors ranging from 7 to 16.5 mm)

BerryAlloc Underlays

BerryAlloc has an underlay for all occasions

BerryAlloc offers you numerous underlays which allow you to perfectly prepare the installation of your new laminate floor.

Excellence+ underlay, extra heavy for extra sound insulation

- corrects irregularities in the floor
- includes an adhesive strip
- protection against the build up of humidity and moisture
- great noise insulation (-21 dB), both in the room and in rooms below
- available in 10 m² rolls

Easy Flex underlay, easy to fit and ideal for underfloor heating

A folded underlay folds out flat straight away and so is even easier to lay. Furthermore it is also highly suited to underfloor heating.

- corrects irregularities in the floor
- sound insulation (-19 dB)
- available in boxes containing 10 m² each

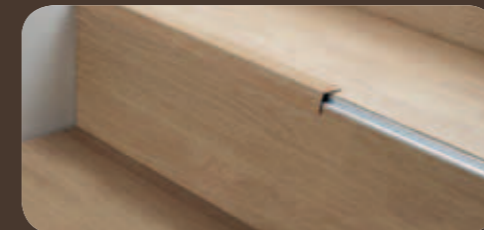

Excellence Endurance underlay

- permanent extra high load-bearing resistance to heavy weights
- integrated adhesive strip
- corrects irregularities in the floor
- protection against the build-up of humidity and vapor
- sound insulation (-19 dB)
- available in 20 m² rolls

BerryAlloc Stair profiles

Give your stairs a new lease of life

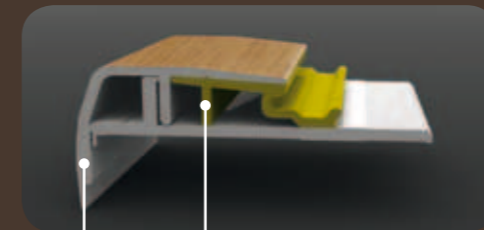

Thanks to the BerryAlloc stair profile, giving your stairs a new look is now child's play. This extremely robust step profile is made of aluminium, covered with a laminate layer. You may choose from 2 options: with or without the 'Perfect Fit' profile (sold separately)

Overlap profile

The basic stair profile that fits on all staircases. This profile gives you the perfect finish to your stairs. It is also particularly suitable for making crossovers at the top of the staircase to another floor covering, such as carpet, tiles or other surfaces.

Available in 8 colours: Natural Oak, White Oak, Silver Grey Oak, Winter Oak, Milano, Frosted Oak, Light Rustic Oak, Aluminium Silver.

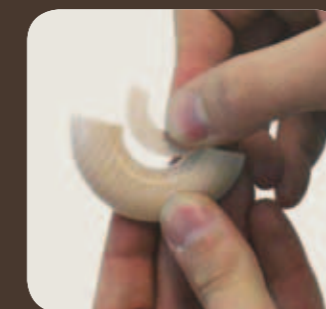

Perfect Fit profile

Just click the Perfect Fit profile (sold separately) onto the laminate on your steps. The profile connects seamlessly, giving your staircase a complete makeover!

BerryAlloc Rosettes

Finishing touch for radiator pipes.

A basic rosette in solid wood, adjustable to 4 different pipe gauges (diameters of 22 mm, 18 mm, 15 mm and 12 mm) and available in 4 colours: light oak, dark oak, white undercoat and now also in light grey.

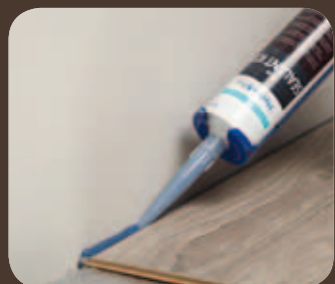

BerryAlloc HydroPlus® Accessories

Perfect HydroPlus® laminate finishing in 4 steps

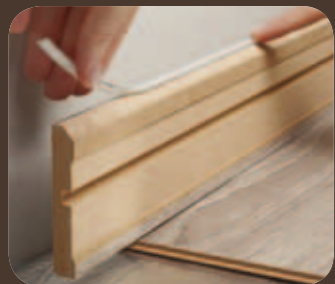

Filler Twine

Joint sealing strip for filling expansion joints. For use both between the wall and floor and under door frames or around pipes. This means that you have to use less sealant.

HydroPlus® Sealant/Sealing Kit

The blue, elastic sealing kit is applied in the expansion joints between the floor and the wall. It prevents the edges of your floor from coming into contact with humidity.

HydroPlus® Protection Strip for skirting.

The strip fixes to the underside of your skirting. Using this strip not only matches your HydroPlus® floor to skirting in the same style, but also protects it from moisture.

HydroPlus® Glue

Super strong, water-resistant installation glue. Lets you finish the job simply and accurately.

HydroPlus® Installation Set

'4 in 1': HydroPlus® Glue, Sealant, Filler Twine and Protection Strip for skirtings. Suitable for 10 running meters of skirtings.

BerryAlloc Laminate

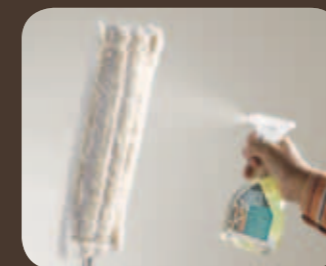

A maintenance dream

We have designed our laminate to be easy to care for, so it is more than sufficient to occasionally vacuum it or remove dust using a damp mop. However since a house is for living, we developed a range of care products that easily remove spills and fix minor nicks.

BerryAlloc Magic Cleaner Kit

This unique cleaning system smoothly cleans every laminate floor, whether dry or wet. The kit contains a floor wiper with an adjustable blade, microfiber cloths and a fresh, fruity laminate cleaner. It's a complete cleaning set and turns cleaning your BerryAlloc laminate flooring into child's play.

BerryAlloc Laminate Spray

An easily adjustable spray that cleans all laminate surfaces without streaking and that leaves behind a light and pleasant grapefruit scent. It has an antistatic and antibacterial action and so is well suited to spaces where hygiene is of the utmost importance. Rinsing is not necessary.

BerryAlloc Laminate Cleaner

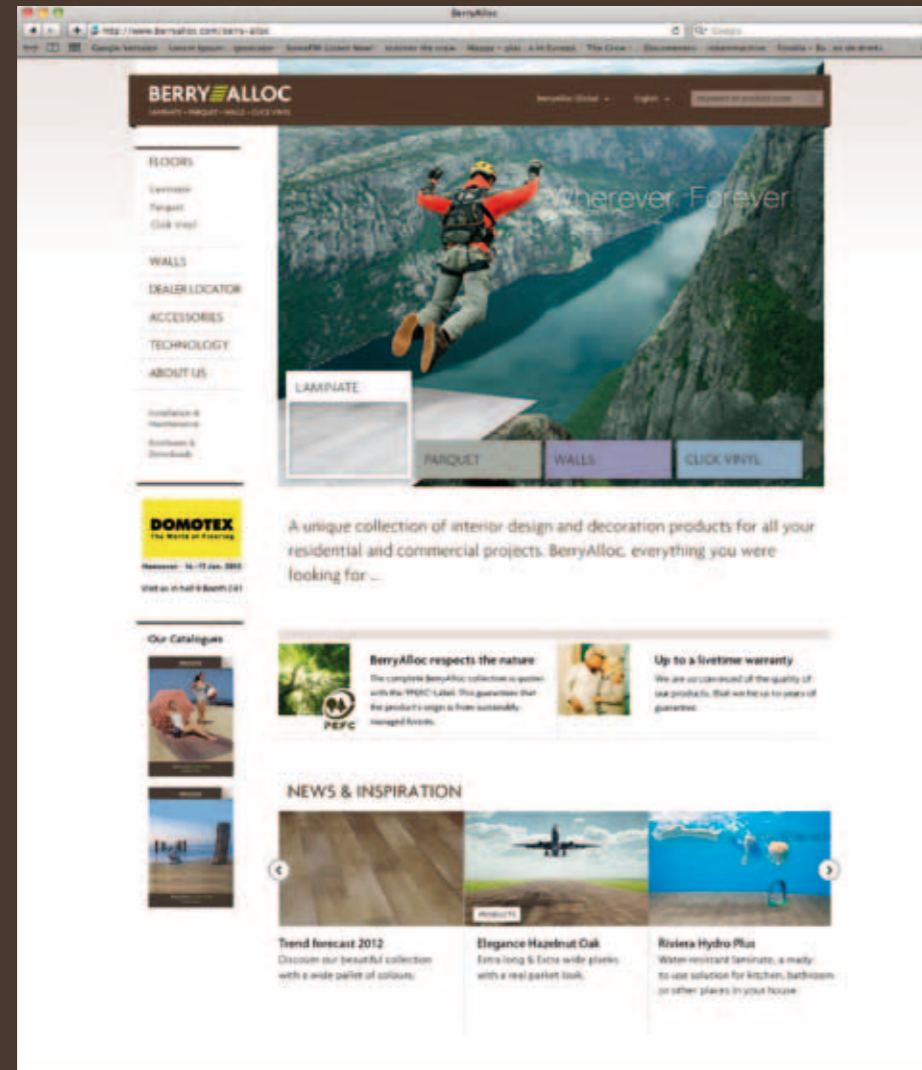

Guarantees that your BerryAlloc laminate floor stays in perfect condition and is suitable for both first-time maintenance and regular use. Suitable for spaces where hygiene is of the utmost importance. Rinsing is not necessary.

BerryAlloc Repair Kit

From now on you can perform minor repairs to your laminate floor with the help of this handy repair kit. Remove the loose pieces, apply the filler material to the mixing palette, mix the colour until you achieve the desired shade and finish it using the abrasive pad. The BerryAlloc Repair kit comes in two different versions - one for light floors and the other for dark floors.
