FROM MODERN TO...

U R B A N

Where concrete takes on form and life with its worked surfaces, contrasting effects and revisited formats to modernise your space.

COMFORTING WITH...

NATURE

A celebration of organic plant and mineral materials, of the passage of time and the character it adds to flooring, of rough timber, of the gently aged whites, blues and greys of painted wood...

PLEASURE WITH...

AUTHENTIC

Marking a return to tradition and the beauty of reused materials, showcasing simplicity and a classic look and feel with close ties to the past.
